and
The Autism Program (TAP)**

Social Skills –Chatter Group

For all children ages 6-16 yrs. who have a communication impairment that affects social/peer interaction including high functioning autism or Asperger Syndrome or Pervasive Developmental Disorder.

WHERE & WHEN

University of Illinois Speech-Language Pathology Clinic
2001 S. Oak Street, Suite B
Research Park - Champaign

January 26 – April 23, 2009

Ages 6 – 8 years	Session 1	Mondays	4:00 – 5:15pm
	Session 2	Thursdays	4:00 – 5:15pm
Ages 9 – 12 years	Session 3	Tuesdays	4:00 – 5:15pm
	Session 4	Mondays	4:00 – 5:15pm
Ages 13-16 years	Session 5	Tuesdays	3:45 – 5:00pm

Session length is 1hr. 15 minutes with 10 minutes for parent discussion.

Activities will be organized to target social skills & pragmatic language through themes including emotions, communication and social interaction. Maximum number of children in each session is 5.

This group is designed for children with verbal skills. Space is limited.

The cost of the entire program will be \$310 for 12 sessions.

There will be no sessions the week of March 24th.

The remainder of the cost has been subsidized by The Autism Program at the University of Illinois.

For more information, please contact our Clinic at 217-333-2205 or email tyork@illinois.edu.
